Letter of Recommendation

Date: 8 October 2026

To Whom It May Concern,

Peter has been assisting me with content and social media-related work for my page, particularly with content planning, preparation, research, and keeping up with relevant current events and trends.

During the time he has worked with me, I have found him to be sincere, dependable, proactive, and easy to work with. He understands instructions well, contributes useful ideas, and is always willing to put in the effort to get the work done properly.

I appreciate the support he has provided and the commitment he has shown towards his work. I wish him all the very best for his future and would be happy to recommend him to anyone looking for a responsible and capable person for content or social media-related work.

Warm regards,

Vishal Kapil
